MEETING MINUTES

PROJECT: **New Vista High School**
700 20th Street
Boulder, CO 80302

MEETING DATE: March 1, 2022
PROJECT NO: **21147**

BY: Gardner Clute, MOA ARCHITECTURE / PM LOCATION: New Vista

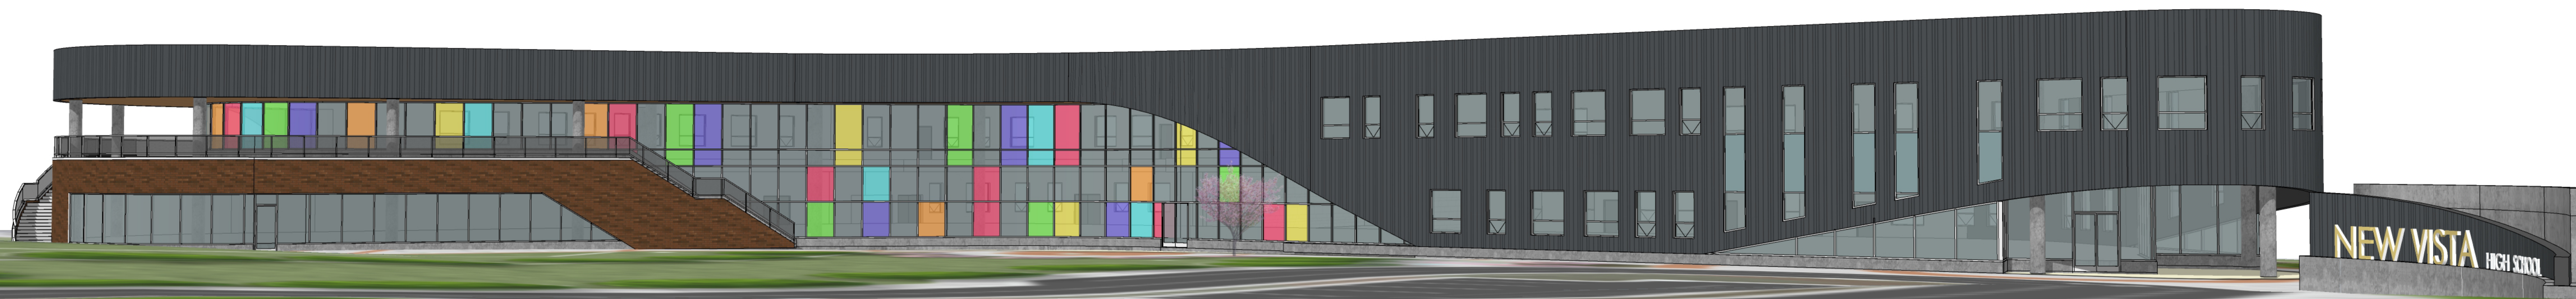

PARTICIPANTS: Gene Temanson, BVSD / Project Manager
Kiffany Lychock, BVSD / Director of Teaching & Learning
Sennen Knauer, New Vista / Principal
DAT Members, New Vista
Jack Mousseau, MOA / Principal
Chas Marquez, MOA / Designer
Karly Geist, MOA / Interior Designer

COPIES: file

ITEM	ACTION	DISCUSSION
1		Updated floor and site plans were reviewed to start the meeting. Exterior and interior finishes were reviewed for the remainder of the meeting.
2		<p>The following comments were received.</p> <ul style="list-style-type: none">○ A request was made to consider moving art storage to south side of room to allow north light into art. The views override the desire for north light. Storage to remain at current location.○ The cast stone will be in a pattern utilizing 2 to 3 sizes of blocks.○ MOA recommends the darker of the two metal panel colors reviewed in the meeting. No comment from DAT.○ Reviewed options for adding color to the exterior of the building in the monument sign, colored glazing, or colored window trim. BVSD prefers colored trim on windows and colored glass on the Auditorium only.○ BVSD like sign with mural wall on back at main entry in addition to digital message board sign on the corner of Baseline and 20th st.○ There is an "N" in the site plan at the ramps down to the field. New Vista requested to brand the ramp by highlighting the "V" portion of the ramp with colored concrete so an overlaid "N V" would be visible in an aerial photo.○ BVSD requested dyslexia friendly font for words on graphics and signs.○ The DAT liked the interior color schemes.<ul style="list-style-type: none">○ Liked the textured carpet.○ Light gray for wall field color is acceptable.○ Liked the neutral accent wall.

END OF MEETING MINUTES

This record of the meeting is considered complete and accurate unless written notice is received by MOA within 5 days of issuance
